

Short Essay 4

Prompt

Write a coherent short time travel story that contains a perfect causal loop. Your story must contain as few metaphysical problems as possible. It must also have as few plot holes as possible.

Further Instruction

- Write in very simple English prose.
- Give vivid, specific details.
- Write 500-750 words. No more. No less.
- Submit your responses by Mon. @ 12:45pm.
