

Short Essay 3

Prompt

After declaring the ideal city established, Socrates turns to locate the four virtues—wisdom, courage, moderation, and justice—in it (427d-434d). Write four paragraphs, one for each of the virtues. Each paragraph must explain what the relevant virtue is and explain what Socrates thinks it means for a city to possess that virtue.

Further Instruction

- Write 400-600 words. No more. No less.
- Submit your responses by Mon. @ 1pm.
